NATIONAL TABLE-TOP RALLY CHAMPIONSHIP 1987/88

CHAMPIONSHIP NEWS

Bulletin No. 4

This bulletin starts with an amendment to the results of the PATHFINDER:-

A. as published:-

- 9. Simon Marks 20 pens
- 10. Malcolm Price 22 pens
- =. Paul Waterton 22 pens

B. should be:-

- 9. Simon Marks 20 pens
- =. Malcolm Price 20 pens
- 11. Paul Waterton 22 pens

The Championship table has been amended accordingly.

With the PEGASUS results published at last the inaugural Championship is concluded. From an entry of 215, 112 (53%) returned maps or answer sheets for marking comparing with PATHFINDER's 68%, NELLY's 57% and LANGER PARK's 75%. Roger Lintott won from Trevor Crowe and Rob Searby, but as this was the only round of the Championship that Roger had contested he does not figure in the final analysis. Perhaps next year, though, he might give the regulars a run for their money.

So, congratulations to the first Champion - MARTIN REA. Lying in third place after the LANGER PARK due to a lowly 12 (by his standards) on the NELLY, Martin dropped this score, adding 5 from the PEGASUS. Of the two tying leaders after three rounds, RICHARD NORBURY finished Championship runner-up scoring 4 on the last round, therefore dropping his LANGER PARK 6. MALCOLM PRICE came third after collecting 12 on the last round, this being his dropped score.

Congratulations go out to all the award winners, but a really big thank you from all organisers to all of you that have contested the Championship making it a resounding success.

One hundred and fourteen figure in the final table (detailed on the following pages) having completed three or more events. A further 121 have figured in the results of one or two events and then, of course, there are the ones that have entered one or more of them but failed to feature in the results.

Finally, following a meeting of representatives on 28th February, 1988, the Championship will continue for the 1988/89 'season'. An extra event is being included - the RALLY ROUND promoted by West Essex running during May. The event ran successfully for the first time in 1987 utilising the map from the board game of the same name, however, by popular request, the 1988 event will be using a conventional OS Map 1:50 000 (132 A-#). Most of the Championship regulars should have already received a set of regs but if you have not then telephone Ray Crowther pretty quickly on 0376-519413 (Work), or 0376-517206 (Home).

Provisional dates and maps for the 1988/89 Championship are as follows:-

- PATHFINDER - 1st-28th September, 1988. - Map 150
- NELLY - 20th October - 15th November, 1988 - Map 167
- LANGER PARK - 3rd December, 1988 - 3rd January, 1989 - Map 146
- PEGASUS - 1st-31st March, 1989 - Map ???
- RALLY ROUND - 1st-30th May, 1989 - Map ???

1988/89 Championship regs will be circulated about July time together with regs for the PATHFINDER. We are currently debating the possibilities of a reduced entry fee for a block entry for all (or some) of the events at the start of the season but more about that later. We hope you'll be competing next time round and we look forward to hearing from you in the future if you have any ideas or views on the individual events or the Championship as a whole.

The bottom line - If you are moving (or have moved!), PLEASE let us know. Perhaps you've thought it necessary to move just to get away from table-top rally organisers !!!!!
